

Something for Everyone

Dear Youth Minister:

Bowl-ero Lanes would be honored to have you consider our facility for one or more of your youth or adult activities.

Bowl-ero Lanes has something for everyone. With 32 championship lanes, automatic scoring, bumper bowling, arcade, glow bowling and snack bar, we can accommodate your group's every need when it comes to wholesome recreation and family-oriented entertainment.

To give you an idea of what we have to offer, this brochure will highlight a few typical programs. Of course, we will tailor a program to meet your specific needs.

Please call anytime to speak with our manager about all your group's needs.

Day Camps

Bowl-ero Lanes is a safe, wholesome, educational and interactive option for Day Camps.

We will design a specific program to meet your needs from one to four hours or more.

We can do a *bowling-only* package, or *bowling-and-food*. Prices typically range from \$3.50 to \$7.50 per child depending on your group's needs.

Leagues

Leagues are wonderful fellowship activities for all ages. We will gladly help you put together your league.

Leagues can be all adults, all youth, or a combination of all ages.

We'll help with everything from organization, to the rules and format, to record-keeping. You just need to bring people who want to have fun.

Our leagues include three games of bowling, league record service, trophies and a season-end party.

We have plenty of lightweight bowling balls and rental shoes for even the biggest and smallest feet.

The bowling center league fees start at \$6.00 per person per week for daytime leagues (starting before 3:00 p.m.) and \$9.50 for evening leagues. Additional fees may be added, at your discretion, for fund-raising purposes, prize fund, etc.

Lock-ins

Bowl-ero Lanes is the perfect venue for a family-oriented Lock-in (all-nighter) party. Our Lock-ins include bowling, glow-bowling, bowling shoes, music, games, food and soft drinks. A bowling Lock-in party is a safe-and-sane activity for your group.

Fund-raising

Bowl-ero Lanes is the perfect venue for your fund-raiser.

We have several different fund-raising options depending on how much money you want to raise.

We offer “50-50” parties, Bowl-a-thons, “Selling the Lanes,” and more. We’ll help you put together the perfect fund-raising activity for your group.
