## Working Together

There is nothing more important to our community's future -- to the world's future -- than our youth. By working together, Bowl-ero Lanes and our area schools can provide a healthy, wholesome, safe-and-sane recreational, social and competitive outlet for our children all year 'round.

Bowl-ero Lanes is committed to the welfare and growth of our students through a combination of fun and educational programs and activities.

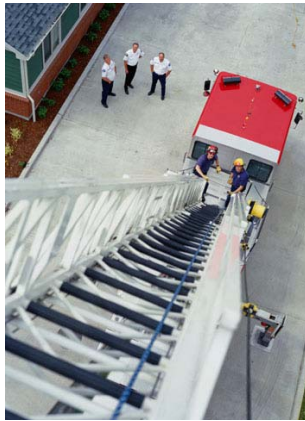

# In-School Bowling

We can provide the schools with an in-school bowling kit (lanes, pins and curriculum) so that bowling may be taught during P.E. classes. We can even help train the teachers.

# Say No to Drugs, Say Yes to Bowling

This program gives our students a positive Summer-long activity. Each student receives a card entitling them to ONE FREE GAME of bowling every day, all Summer. We will also organize group activities working with local law enforcement and emergency services agencies.

# Something for Everyone

## Graduation and End-of-Year Parties

Bowl-ero Lanes is the perfect place for an end-of-year school party or graduation party.

We have several different fund-raising options depending on how much money you need to raise.
