Celebrating 31 years of success!

Dick Ritger's Bowling Camps is celebrating its 31st year of operation. Camp programs for adult and youth students include stops in 39 cities throughout the United States..

The Dick Ritger Bowling Camps prides itself on meeting the individual needs of each student, with plenty of hands-on teaching, personal analysis, charting, and videotaping. From the higher skilled 'veteran' to the average league bowler, everyone finds a way to improve.

Dick Ritger's specialized group teaching format is flexible enough to ensure success with every student. It is a formula that has withstood the test of time.

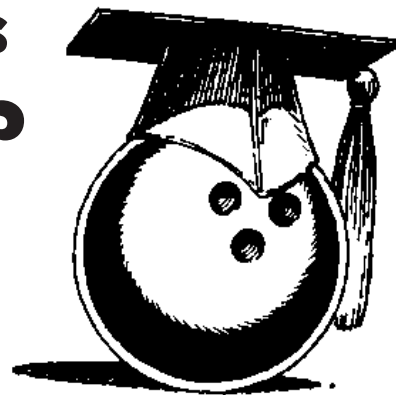

A major reason for the success of the "Ritger Method" is its structured, consistent and logical progression. Starting with the basic mechanics of the game, instruction proceeds through a detailed analysis of every aspect of bowling, including very sophisticated scientific formulas and mathematical systems of reading lanes. High skill bowlers report improved mechanics, experiencing pure feelings with free swing, leverage, rotation, speed control, etc. Join us and Bowl Better Now!

Dick Ritger's teaching format has withstood the test of time with bowlers of all skill levels.
